

* NOTICE *

Abbott has initiated a proactive, voluntary recall of certain Similac®-brand powder infant formulas.

THESE PRODUCTS POSE NO SERIOUS HEALTH CONCERNS FOR INFANTS OR TODDLERS

The recall affects **ONLY** the Similac-brand powder products identified below.

Products **NOT** involved in the recall include all Abbott Nutrition liquid ready-to-feed and concentrated infant formulas and all powder and liquid specialty formulas, such as Similac Expert Care™ Alimentum®, Similac Expert Care™ NeoSure®, Elecare®, Similac® Human Milk Fortifier, and metabolic formulas for inherited disorders.

If one of your patients contacts you regarding one of the affected lots, please advise the parent / caretaker to discontinue use immediately. Parents and caregivers should call **1-800-986-8850** or visit www.similac.com/recall for more information, including product alternatives.

All Large Powder Products 22oz/1.37lbs or Greater are Impacted
